

envecon 2018: Applied Environmental Economics Conference
9th March, The Royal Society, London

8:45 - 9:30	Registration and tea & coffee (City of London Rooms)	
9:30 – 9:45	Keynote: 25 Year Environment Plan and environmental economics	John Curnow, Chief Economist, Defra
9:45–10:15	Panel – Reactions of key stakeholders to the 25 YEP Rohit Kausish, Economist, NFU, agriculture Katie Bolt, RSPB, nature conservation Martin Hurst, independent, water sector and policy	Chair: Joe Grice, Chair of the ONS Economic Expert Working Group
Parallel Session 1: Natural Capital Accounting (Wellcome Trust Lecture Hall) Chair: Joe Grice, Office of National Statistics (ONS)		
10:20–10:35	Developing a natural capital account for air pollution removal by vegetation	Laurence Jones, Centre for Ecology and Hydrology (CEH)
10:35-10:50	Urban natural capital accounts: UK and local results	Ian Dickie, eftec
10:50-11:05	Accounting for Nature: A Natural Capital Account for RSPB Nature Reserves	Katie Bolt, RSPB
11:05–11:20	The application of restoration costs developing an asset register, ecosystem accounts and cost-benefit analysis for two UK pilot studies	Geoff Bright, ONS
Parallel Session 2: Energy (Kohn Centre) Chair: Dr Paolo Agnolucci, UCL		
10:20–10:40	Energy policy and power sector in the long run	Baran Doda, Grantham Research Institute
10:40–11:00	The impacts of energy prices on industrial foreign investment location: evidence from global firm level data	Aurelien Saussay, CIRED
11:00–11:20	To build or not to build? Capital stocks and climate policy	Karlygash Kuralbayeva, London School of Economics and Political Science (LSE)
11:20-11:40 COFFEE BREAK (City of London Rooms)		
Parallel Session 3: Influencing Preferences (Wellcome Trust Lecture Hall) Chair: Prof Susana Mourato, LSE		
11:40–12:00	Environmental attitudes and preferences for estuarine ecosystem services	Valeria Toledo-Gallegos, University of St Andrews
12:00–12:20	Do flood events increase opinion polarisation about the existence of anthropogenic climate change?	Daniel Osberghaus, Centre for European Economic Research, Germany
12:20–12:40	Do biodiversity conservation films cause pro-environmental behavioural spillover effects?	Ganga Shreedhar, LSE
12:40-13:00	Environmental attitudes and place identity as concurrent determinants of preferences for environmental goods	Michela Faccioli, James Hutton Institute & University of Exeter
Parallel Session 4: Land Use and Economic Appraisal (Kohn Centre) Chair: Prof Ben Groom, LSE		
11:40–12:00	Integrated planning and natural capital economic appraisal	Teresa Fenn, RPA
12:00–12:20	A generalizable integrated natural capital methodology for targeting investment in saltmarsh enhancement	Katrina Davis, University of Exeter
12:20–12:40	The growing impact of climate change on European crops	Vincenzo De Lipsis, UCL Institute for Sustainable Resources
12:40-13:00	Land sparing in agricultural landscapes	Ben Groom, LSE

envecon 2018: Applied Environmental Economics Conference
9th March, The Royal Society, London

13:00 – 14:00 LUNCH (City of London Rooms)		
14:00– 14:20 envecon2018 POSTER SESSION		
Parallel Session 5: Environmental policy post-Brexit (Wellcome Trust Lecture Hall) Chair: Prof Ian Hodge, University of Cambridge		
14:20-14:40	Understanding the impact of different Brexit scenarios on the UK's fishing fleet	Griffin Carpenter, New Economics Foundation
14:40–15:00	Spatial distribution of preferences for changes in high intensity agricultural landscapes in Great Britain	Tomas Badura, University of East Anglia
15:00-15:20	Environmental Regulation and growth – impact on sustainable economic growth	Jonathan Fisher, Independent
15:20-15:40	Exploring alternative rationales for policy interventions in ecosystem processes: efficiency versus resilience	Ian Hodge, University of Cambridge
Parallel Session 6: Economic Valuation from Theory to Practice (Kohn Centre) Chair: Prof Dan Rigby, University of Manchester		
14:20-14:40	Differences in preferences or strategic behavior? A choice experiment on Tidal Energy in Puget Sound	Keila Meginnis, University of Manchester
14:40–15:00	Valuation of freshwater angling in England	Paul Metcalfe, PJM Economics
15:00-15:20	Combining respondents' psychological subjective preferences with their willingness to pay for river water improvements	Danyel Hampson, LEEP
15:20-15:40	The disamenity impact of solar farms: a hedonic analysis	Allan Beltran-Hernandez, LSE
15:40–16:00 COFFEE BREAK (City of London Rooms)		
Parallel Session 7: Marine Environment (Wellcome Trust Hall) Chair: Prof Giles Atkinson, LSE		
16:00–16:20	Sea bass angling in Ireland: a structural equation model of catch and effort	Gianluca Grilli, Economic and Social Research Institute, Trinity College Dublin, Republic of Ireland
16:20–16:40	Scuba diving in the OosterscheldeL Combining travel cost estimates with stated choice estimates	Sandra Rousseau, Center for Economics and Corporate Sustainability, Belgium
16:40–17:00	Investigating the preferences of remote beneficiaries of sustainable tourism development: the case of Fiji	Gaetano Grilli, Cefas
Parallel Session 8: Managing for Multiple Gains (Kohn Centre) Chair: Prof Nick Hanley, University of St Andrews		
16:00–16:20	Are voluntary environmental management programs effective? Evidence from German manufacturing firms	Roland Kube, Westfälische Wilhelms-Universität Münster, Germany
16:20–16:40	Crime is in the air: examining the relationship between air pollution and crime	Sefi Roth, LSE
16:40–17:00	Economics of invasive pests and diseases: implications for management and policy	Nick Hanley, University of St Andrews

17:00–19:30 Conference Reception (Kohn Centre & Marble Hall)
